National Geographic

author Michael Farquhar uncovers an instance of bad luck, epic misfortune, and unadulterated mayhem tied to every day of the year. From Caligula's blood-soaked end to hotelier Steve Wynn's unfortunate run-in with a priceless Picasso, these 365 tales of misery include lost fortunes (like the would-be Apple investor who pulled out in 1977 and missed out on a $30 billion-dollar windfall), romance gone wrong (like the 16th-century Shah who experimented with an early form of Viagra with empire-changing results), and truly bizarre moments (like the Great Molasses Flood of 1919). Think you’re having a bad day? Trust us, it gets worse.

Do They Have Bad Days in Heaven? Simon and Schuster
When the first edition of Do They Have Bad Days in Heaven? Surviving the Suicide Loss of a Sibling was published in 2001, it was the first comprehensive resource for sibling suicide survivors. In this updated edition, Michelle Linn-Gust (Rusk) doesn't change the story she told nineteen years ago, but gives the reader perspective on the changes that have occurred on how suicide and suicide loss are viewed. She also discusses how her life has changed. And stayed the same. Do They Have Bad Days in Heaven? Surviving the Suicide Loss of a Sibling is the first comprehensive resource for sibling suicide survivors. Michelle Linn-Gust takes the reader through the personal experience of losing her younger sister Denise Linn and weaves in the available research for sibling survivors. Michelle also journeys sibling loss through the life span. No matter how old you are, you'll find valuable help in Do They Have Bad Days in Heaven? Michelle explains suicide, the grief process, and how sibling death impacts the brothers and
sisters left behind. She adds practical advice for how sibling suicide survivors can help themselves. This book is also helpful for those who want to reach out to sibling survivors including parents, teacher, counselors, and friends. Reading *Do They Have Bad Days in Heaven?* assists them in understanding the grief process that the sibling survivor travels.

A group of superheroes has a bad day and learns to cope with their emotions.

**No Bad Days** Rutger University Press
Can a popular bartender win over a strong single mom? From New York Times bestselling author J. Sterling comes a thrilling new standalone romance you won't want to miss. Everyone knows who the Fisher brothers are; the hottest single bartenders this side of the Santa Monica Pier. Which is exactly why when I run into Ryan Fisher one day at the beach, I intend to steer clear of him and his sexy, playboy ways. I've heard the rumors. I know his type. I've seen him in action. And I'm not interested. But Ryan has other ideas. He's convinced that I have him all wrong. But I don't have the luxury of making mistakes when it comes to men. Not anymore. Being a single mom does that to a woman. There's only room in my life for one boy: and his name isn't Ryan. So why won't he go away and leave me alone already?

The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

Come for an emotional ride in this romance novel by New York Times bestselling author J.Sterling. With Sterling's laugh-out-loud banter and a trio of brothers you'll fall for, this heart pounding story is a must read. I've seen Frank Fisher before, but he's never seen me. He definitely saw me tonight. And I know I wasn't the only one who felt the world shift the moment our eyes connected from across the bar. But Frank isn't like his brothers. He's quiet, elusive, and keeps to himself. It makes him mysterious, but that's not why I'm drawn to him. It's something else. Something I've never experienced before, as cliche as that may sound. I can tell that Frank's holding back.. keeping something from me. No matter how hard I try to push to get closer, he keeps his distance, even when I can tell he doesn't want to and I want to know why. I need to know why. But the truth might split my heart in half and ruin everything. THE FISHER BROTHERS is a series of standalone novels that can be sipped one at a time, or binged in order. Each book is aptly named after one of the popular drinks at their bar. Enjoy! No Bad Days-
