Monster Romance St. Martin's Press
It's hard to be Velma, the littlest Gratch, entering the first grade. That's because everyone has marvelous memories of her two older sisters, who were practically perfect first graders. Poor Velma—people can barely remember her name. But all that changes on a class trip to the magnificent Butterfly Conservatory—a place neither of her sisters has ever been. When a monarch roosts on Velma's finger and won't budge for days . . . well, no one will forget Velma ever again. Acclaimed and bestselling illustrator Kevin Hawkes and author Alan Madison celebrate everything butterfly—from migration to metamorphosis. Watch as Velma Gratch metamorphosizes from a timid first grader into a confident young scientist!
Holy F*ck Springer
In this linguistic study of law school education, Mertz shows how law professors employ the Socratic method between teacher and student, forcing the student to shift away from moral and emotional terms in thinking about conflict, toward frameworks of legal authority instead.
Indian by Choice Penguin Books, Limited (UK)
Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, Out of the Shadows is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. Out of the Shadows is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

How I Braved Anu Aunty and Co-Founded a Million Dollar Company Rutgers University Press
This unique volume includes eight early dramas that mirror American literary, social, and cultural history: Royall Tylers The Contrast (1789); William Dunlap'sAndre (1798); James Nelson Barker's The Indian Princess (1808); Robert Montgomery Bird's The Gladiator (1831); William Henry Smith's The Drunkard(1844); Anna Cora Mowatt's Fashion (1845); George Aiken's Uncle Tom's Cabin(1852); and Dion Boucicault's The Octoroon (1859). For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
Blender 3D Basics National Geographic Books
Design a complete workflow with Blender to create stunning 3D scenes and films step-by-step!
About This Book Give life to a character within a full animated short film by learning the rigging and animation process Make use of the powerful tools available in Blender to produce professional-quality 3D characters and environments Discover advanced techniques by adding fur to a character, creating a grass field, and fine-tuning a shot with post-processing effects to enhance your creations Who This Book Is For This book will give any beginner the necessary skills and knowledge to create

own 3D projects with Blender. You don't need to have any previous experience in 3D modeling, but if you do, then this book is a great way get you started with Blender. This book is for anyone who wants to learn Blender by creating concrete projects. What You Will Learn Understand the basics of 3D and how to navigate your way around the Blender interface Create a 3D robot toy model from start to finish using the basic modeling tools of Blender Make a full alien character using the skin mesh modifier and the sculpting tools with an artistic approach Use re-topology techniques to create a clean 3D version of the previously sculpted alien Model a full haunted house and its environment using more advanced modeling tools and techniques such as the Array Modifier, Instance duplication, or Curves Discover the power of the texture paint tool in order to add color to the haunted house Get to know the Cycles render engine by creating different materials for the house and the environment In Detail Blender is a powerful tool, stable, with an integral workflow that will allow you to understand your learning of 3D creation with serenity. Today, it is considered to be one of the most complete 3D packages on the market and it is free and open source! It is very efficient for many types of productions, such as 3D animated or live action films, architecture, research, or even game creation with its integrated game engine and its use of the Python language. Moreover, Blender has an active community that contributes to expanding its functionalities. Today, it is used in many professional products and by many companies. Through this book, you will create many types of concert projects using a step-by-step approach. You will start by getting to know the modeling tools available in Blender as you create a 3D robot toy. Then, you will discover more advanced techniques such as sculpting and re-topology by creating a funny alien character. After that, you will create a full haunted house scene. For the last project, you will create a short film featuring a rat cowboy shooting cheese in a rat trap! This will be a more complex project in which you learn how to rig, animate, compose advanced material, composite, and edit a full sequence. Each project in this book will give you more practice and increase your knowledge of the Blender tools. By the end of this book, you will master a workflow that you will be able to apply to your own creations. Style and approach This is an easy-to-follow book that is based on four concrete projects, with increasing levels of difficulty. Each chapter will teach you how to create these projects step-by-step. New tools and techniques are introduced in a theoretical and practical way, so you can apply them in your own projects later.
How Successful People Think Gyan Publishing House
The complete novice's guide to 3D modeling and animation.
Risky Lessons Center Street
In a country where all races of human and creature live together, love is blossoming as people don't worry about each other's quirks or appearances. Among them is a clumsy dullahan who's head over heels about her track star boyfriend, a confused boy who questions how to talk to his mermaid crush, and a cute centaur wondering how to confess to her childhood friend. Everyone seems to be catching the love bug except for Setsuka, an icy oni who usually gives humans the cold shoulder. That changes when a determined, kind classmate named Eiji confesses his love to her, lighting a small spark in her chest. With advice from her monstrous friends and equally lovestruck sister, Setsuka's cold heart might turn red hot soon enough!
World Constitutions Cambridge University Press
It?s no secret that certain social groups have predominated India?s business and trading history, with business traditionally being the preserve of particular `Bania? communities. However, the past four or so decades have seen a widening of the social base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book ? acclaimed for being the first social history to document and understand India?s new entrepreneurial groups ? Harish Damodaran looks to answer who the new `wealth creators? are,

as he traces the transitional entry of India’s middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India’s New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia.

South Asian Pornographies Psychology Press

Wiz and Mug are back for another magical adventure as they continue their quests for the mighty Order of Mages! Wiz has always believed in the Order of Mages as a force for good; one that works to destroy tyrants and restore peace, but it seems that may not be the case at all. Prepare for revelations and mini golf in this latest addition to the wildly successful Fantasy Sports series! *One Indian Girl* Devil's Due Publishing

This book is a selection of 15 papers developed by participants in ICME 13 held in Hamburg , presenting insights from the latest research on the andragogy of adult and lifelong learning of mathematics. It also investigates open questions, such as numeracy and mathematics skills, social and psychological influences on learning environments, as well as economic and political demands. The chapters offer examples, while at the same time highlighting important directions for further research. The book is divided into four parts: The first section provides an overview on the concept of “numeracy”, and the second focuses on adult students who are learning mathematics; the third part presents a teachers' focus and the final part covers overarching themes. The book is of interest to classroom teachers, university teacher educators, and professional development providers. *Johannes Harrer de Heilbronn. Hugo Ripelin de Argentina [u.a.] - BSB Clm 14152* Penguin

Gather successful people from all walks of life -- what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, *How Successful People Think* is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success. The 11 keys to successful thinking include: Big-Picture Thinking - seeing the world beyond your own needs and how that leads to great ideas Focused Thinking - removing mental clutter and distractions to realize your full potential Creative Thinking - thinking in unique ways and making breakthroughs Shared Thinking - working with others to compound results Reflective Thinking - looking at the past to gain a better understanding of the future.

Blender 3D By Example D C Books

Indian by Choice tackles the complex theme of identity; it is a journey of self-discovery through the myriad human relationships that help us see things in perspective and in context. Written in the form of a graphic novel, it tells the story of Mandy, a second generation Indian, born and brought up in Chicago. He is as American as they come-hot dogs, French Fries, baseball and the love of all things American, especially blonde. He is, of course, no different from his clones who are in several other parts of the world-England and Australia, the Netherlands and Canada. They blend with their surroundings by assimilating the culture of their adopted home and denying their Indian roots and heritage. In the case of the hero of our book, he has even changed his name from Mandeep to Mandy! He is required, under duress, to travel to India for a family wedding and despite his fears

and his doubts, his distaste and his abhorrence of 'all things Indian', he finds himself drawn into a world that he was familiar with only through his relationship with his parents and sister. These had to do with strong and pervasive family ties and bonding, friendships that were open and warm-hearted. All this appeared to be so 'normal and natural' in India. Through candid discussions, he confronts his fears and ignorance about India. When it is time for him to leave, he finds that there is much about India he simply did not know and a great deal he would like to know more. He increasingly reconciles with his suppressed identity. He willingly makes the choice of not denying his Indian roots. He is an Indian by choice.

The Tube Amp Book DC

The complete prequel trilogy to Jim Henson’s cult classic fantasy film *The Dark Crystal*, with a story by the film’s original concept designer, Brian Froud. Brian Froud, legendary conceptual designer of the beloved Jim Henson fantasy film *The Dark Crystal*, returns to the world he helped create in this official prequel trilogy to the cult-classic film. Collected for the first time in one oversized edition, this series reveals the definitive origins of the Skeksis, Mystics, Gelfling, and the *Dark Crystal* itself while introducing all new characters in an epic spanning thousands of years. Written by Brian Holquin (Spawn: Origins), Joshua Dysart (Unknown Soldier), and Matthew Dow Smith (Doctor Who), and lushly illustrated by Alex Sheikman (Robotika) and Lizzy John (Fraggle Rock), Jim Henson’s *The Dark Crystal: Creation Myths* is a breathtaking return to the fantasy world that has captivated audiences for over thirty years.

Sûrya India Createspace Independent Publishing Platform

Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The Peacemaker*, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers.

Priya's Shakti HarperCollins

The art of vernacular painting in India is not only varied and rich but also intriguing for several reasons. With such observations the book addresses certain issues, like the validity of the historical information on Indian Art that excludes vernacular trends. The information on vernacular art in India has either been ignored such as in ancient literary discourses or inadvertently misconstrued within the theoretical purviews of modern days. If the hierarchy of the Hindu caste system has marginalised the culture of the lower rung groups, the lexicon of twentieth century anthropological studies has seen this art as material evidence of undeveloped societies; both creating the same value: to be patronised but not art. Can art be weighed on a scale of development? Arguments have been developed within the specific focus on scroll paintings by the itinerant painter bards in Bengal. The bardic tradition has been known to exist in India since a pre-Christian era and still continues within two vibrant trends of vernacular art forms Bangla and Santhal pat. The book redefines and repositions the notion of art with contemporary folk art. As the picture Plates are self-evident, the book draws attention on a world of art that has not been present in Indian Art History.

Jim Henson's The Dark Crystal Creation Myths: The Complete Collection Temple University Press

Sohana Badshah has led a charmed existence - carefree, wealthy and from a close-knit family (at least as far she knows). And then she moves to London on a whim to pursue an interior design course, where she meets and falls passionately in love with Jagdish Sachdev - he of the compassionate heart and matchless brains. But Jag leaves her, citing irreconcilable differences between their families. Sohana returns home to the news that the business empire her grandfather had built over the years will wind up either in the hands of the highest bidder or with the grandson (but of course) who shows the most mettle. As her brothers race to inherit the business, Sohana is wooed, and her ethics and loyalties tested. In this first instalment of Kavita Daswani's trilogy, with secrets tumbling out and dramas unfolding all around her, Sohana must make up her mind about what and who she is in the scheme of things.
